Terms and conditions

These terms and conditions ("Agreement") set forth the general terms and conditions of your use of the "Pursuit" mobile application ("Mobile Application" or "Service") and any of its related products and services (collectively, "Services"). This Agreement is legally binding between you ("User", "you" or "your") and this Mobile Application developer ("Operator", "we", "us" or "our"). By accessing and using the Mobile Application and Services, you acknowledge that you have read, understood, and agree to be bound by the terms of this Agreement. If you are entering into this Agreement on behalf of a business or other legal entity, you represent that you have the authority to bind such entity to this Agreement, in which case the terms "User", "you" or "your" shall refer to such entity. If you do not have such authority, or if you do not agree with the terms of this Agreement, you must not accept this Agreement and may not access and use the Mobile Application and Services. You acknowledge that this Agreement is a contract between you and the Operator, even though it is electronic and is not physically signed by you, and it governs your use of the Mobile Application and Services.

Accounts and membership

You must be at least 18 years of age to use the Mobile Application and Services. By using the Mobile Application and Services and by agreeing to this Agreement you warrant and represent that you are at least 18 years of age. If you create an account in the Mobile Application, you are responsible for maintaining the security of your account and you are fully responsible for all activities that occur under the account and any other actions taken in connection with it. We may, but have no obligation to, monitor and review new accounts before you may sign in and start using the Services. Providing false contact information of any kind may result in the termination of your account. You must immediately notify us of any unauthorized uses of your account or any other breaches of security. We will not be liable for any acts or omissions by you, including any damages of any kind incurred as a result of such acts or omissions. We may suspend, disable, or delete your account (or any part thereof) if we determine that you have violated any provision of this Agreement or that your conduct or content would tend to damage our reputation and goodwill. If we delete your account for the foregoing reasons, you may not re-register for our Services. We may block your email address and Internet protocol address to prevent further registration.

User content

We do not own any data, information or material (collectively, "Content") that you submit in the Mobile Application in the course of using the Service. You shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness, and intellectual property ownership or right to use of all submitted Content. We may, but have no obligation to, monitor and review the Content in the Mobile Application submitted or created using our Services by you. You grant us permission to access, copy, distribute, store, transmit, reformat, display and perform the Content of your user account solely as required for the purpose of providing the Services to you. Without limiting any of those representations or warranties, we have the right, though not the obligation, to, in our own sole discretion, refuse or remove any Content that, in our reasonable opinion, violates any of our policies or is in any way harmful or objectionable. Unless specifically permitted by you, your use of the Mobile Application and Services does not grant us the license to use, reproduce, adapt, modify, publish or distribute the Content created by you or stored in your user account for commercial, marketing or any similar purpose.

Billing and payments

You shall pay all fees or charges to your account in accordance with the fees, charges, and billing terms in effect at the time a fee or charge is due and payable. Where Services are offered on a free trial basis, payment may be required after the free trial period ends, and not when you enter your billing details (which may be required prior to the commencement of the free trial period). If auto-renewal is enabled for the Services you have subscribed for, you will be charged automatically in accordance with the term you selected. Sensitive and private data exchange happens over a SSL secured communication channel and is encrypted and protected with digital signatures, and the Mobile Application and Services are also in compliance with PCI vulnerability standards in order to create as secure of an environment as possible for Users. Scans for malware are performed on a regular basis for additional security and protection. If, in our judgment, your purchase constitutes a high-risk transaction, we will require you to provide us with a copy of your valid government-issued photo identification, and possibly a copy of a recent bank statement for the credit or debit card used for the purchase. We reserve the right to change product pricing at any time. We also reserve the right to refuse any order you place with us. We may, in our sole discretion, limit or cancel quantities purchased per person, per household or per order. These restrictions may include orders placed by or under the same customer account, the same credit card, and/or orders that use the same billing and/or shipping address. In the event that we make a change to or cancel an order, we may attempt to notify you by contacting the e-mail and/or billing address/phone number provided at the time the order was made.

Accuracy of information

Occasionally there may be information in the Mobile Application that contains typographical errors, inaccuracies or omissions that may relate to promotional

and offers. We reserve the right to correct any errors, inaccuracies or omissions, and to change or update information or cancel orders if any information in the Mobile Application or Services is inaccurate at any time without prior notice (including after you have submitted your order). We undertake no obligation to update, amend or clarify information in the Mobile Application including, without limitation, pricing information, except as required by law. No specified update or refresh date applied in the Mobile Application should be taken to indicate that all information in the Mobile Application or Services has been modified or updated.

Backups

We perform regular backups of the Content and will do our best to ensure completeness and accuracy of these backups. In the event of the hardware failure or data loss we will restore backups automatically to minimize the impact and downtime.
